IN ROBOTICS AND  
AUTOMATION

Messe München  
Connecting Global Competence

## AUTOMATICA

- A4** Sicherheitstechnik, Versorgungstechnik
- A4 B5** Industrielle Bildverarbeitung
- A4 B5 B6** Industrierobotik
- B4** Professionelle Servicerobotik
- B4** Service Robotics Demonstration Area
- A5** Integrated Assembly Solutions, Positioniersysteme
- A6** Integrated Assembly Solutions
- B5** Sicherheitstechnik, Versorgungstechnik, Software
- B6** Versorgungstechnik, Forschung, Sensorik, Steuerungstechnik, Antriebstechnik

## Rahmenprogramm

- A5** AUTOMATICA Forum
- Ost** ISR – 47th International Symposium on Robotics 21.–22. Juni 2016

## Die Partnermessen der AUTOMATICA

- B4** IT2Industry – Internationale Fachmesse und Open Conference für intelligente, digital vernetzte Arbeitswelten

**Intersolar Europe** – Die weltweit führende Fachmesse für die Solarwirtschaft und ihre Partner  
Messe: 22.–24. Juni 2016  
Konferenz: 21.–22. Juni 2016

**B1** **ees Europe** – Europas größte Fachmesse für Batterien und Energiespeichersysteme  
Messe: 22.–24. Juni 2016  
Konferenz: 21.–22. Juni 2016

Stand Dezember 2015 – Änderungen vorbehalten

## AUTOMATICA

- A4** Safety technology, supply technology
- A4 B5** Machine vision
- A4 B5 B6** Industrial robotics
- B4** Professional service robotics
- B4** Service Robotics Demonstration Area
- A5** Integrated assembly solutions, positioning systems
- A6** Integrated assembly solutions
- B5** Safety technology, supply technology, software
- B6** Supply technology, research, sensor technology, control systems technology, drive technology

## Supporting program

- A5** AUTOMATICA Forum
- Ost** ISR—47th International Symposium on Robotics June 21–22, 2016

## Partner exhibitions of AUTOMATICA

- B4** IT2Industry—International Trade Fair and Open Conference for intelligent, digitally networked working environments

**Intersolar Europe**—The world's leading exhibition for the solar industry and its partners  
Exhibition: June 22–24, 2016  
Conference: June 21–22, 2016

**B1** **ees Europe**—Europe's largest exhibition for batteries and energy storage systems  
Exhibition: June 22–24, 2016  
Conference: June 21–22, 2016
